

## ICA Teaneck Scholastic Summer Camp 2022 Week 3 Report: Who Is The Greatest Teenage Mutant Ninja Turtle Character Of All Time?

We gave out too many prizes this week.  
Category after random category popped into  
my head and well the results speak for  
themselves:

On Monday we awarded three individual prizes including a “President’s Bee” (Who can write down the most American presidents in ten minutes: **Eli** won with 23...which is only half), a blitz tournament in two sections (**Yujeong** won the higher group, **Igor** the lower group), a “draw the American flag” event (**Geula** won according to art teacher, Aparna), and finally our traditional “Man vs. Beast” 4 th of July bonanza (including kosher, and none-kosher popsicles as the kids guess who would win in various man vs. beast competitions like a hot-dog eating contest between a human and a bear, or a tug-o-war between an Orangutang and a Sumo- Wrestler. **Thomas** won by guessing six out of eight winners correctly).

....And that was just the first day. Happy 4th of July.

The rest of the week included our traditional events:

Tournaments in three sections with **Paul**, **Gita**, and **Vivienne** tying for second, and **Jacob** the first-place winner in the lowest section, **Ethan C**, **Eli**, and **Ryley** tying for second in the middle section with **Michael C** the winner, and **Max**, **Shmuel**, and **Yujeong** tying for second in the highest section, and **Michael L** with a commanding performance to win the biggest trophy of the week.

The best students in each group were: **Ryley** in Slava's group, **Michael C** in Ivette's group, **Igor** in Liam's group, and **Yujeong** in Dennis's group.

**Yujeong** won the simul by surviving 49.5 moves against Dennis which was the highest total out of all participants.

Outside during sports the winners for each coach's group were: (from youngest to oldest) **Max, Michael L, Eli,** and **Geula** while **Yujeong** also took home the dodgeball prize.

After the tournaments **Ryley** was the best in Math, while **Yujeong** was Zhanna's pick for music, and **Will** Aparna's choice for Art.

On Thursday we also had two unique events: "Name and sell your favorite Teenage Mutant Ninja Turtles character" an event Ryley handily won with his poetic, and detailed pitch of the underappreciated human fly "Baxter Stockman. The second event was delivering the best movie quote with Ethan taking the prize for his unparalleled:

**CONGRATS!!**

“This time, it’s going to take more than killing me to kill me” as said in “Doctor Strange in the Multiverse of Madness.”

The Friday winners in the team events were “We Are Iron Man” (**Ryley**, **Shmuel**, **Michael L**, and **Jacob**) on the strength of picking up the most garbage in the park (the last event in the competition and the first time we ever did this one as a camp).

The blitz/bughouse winners were **Ryley**, and **Lucas** in the lower section, and **Michael C**, and **Shmuel** in the higher section.

**WINNER**
