

ICA Teaneck
Scholastic Summer
Camp 2022 Week 2
Report:

HARRY POTTER IS ALL ABOUT DEATH & BETRAYAL

We honestly had no idea a book, or movie series if you will, had so much dark, and ominous overtones, but as it turns out that's exactly the sort of thing camper **Alec Gelfand** used as a pitch to convince us this was one of the best movies (all of them I guess) ever. Alec's pitch won the "selling the coaches on your favorite movie" contest, unique for this week in camp. Other honorable mentions were "Pokemon," and "World War Z" (**Max Lokhov** really likes Zombies).

The other unique contests this week were the funniest t-shirt event held on Thursday, even if there were limited options to choose from and in the end, **Avery** won for his “Mona Lisa Dabbing” black tee.

In standard events **Shmuel** won first place in the section one tournament with **Max Lokhov** a close second (Max tricked Shmuel into a stalemate in a lost position and managed to save the half point in their individual game). **Kerry Ding** went four for four in section two using a helper mate in his final game to defeat Jonathan Bang and claim first place (this will factor in the simul event below), while both **Michael C**, and **Michael B** (Chang and Bang!) tied for second place. In section three **Leonard** was the sole winner with a perfect score, while **Vivienne** finished in second.

CONGRATS!!

In the simul competition, **Jonathan** (who lost to Kerry above via a helper mate earlier that same day), used a helper mate to unexpectedly defeat a complacent coach Liam, who was dominating the game and was more focused on the tougher opponents. The win was enough to secure Jonathan a victory in the simul competition.

The best students in each group were: **Zachary** in Slava's group, **Michael C** in Ivette's group, **Leonard** in Liam's group, **Yurito** (from Fort Lee School 3) in Sophie's group (Sophie was from Fort Lee School 2), and **Shmuel** in Dennis's group (Dennis is formerly from Fort Lee School 4). Btw, pictures of all the campers were taken by our resident photographer Sonya (formerly of Fort Lee school 1).

WELL DONE!

In Sports groups the winners from youngest to oldest were **Max, Leonard, Michael B, Michael L, Alec, and Shmuel.**

Igor won in Basketball, while despite a valiant effort from Shmuel on the last day Alec managed to hold him off to win the dodgeball prize.

The Avery sisters: **Callista**, and **Sabrina** won the math competition, while **Elan** was again the winner for Art according to Aparna.

Will won the trivia prize for the most random weird fact about a country (apparently Russian cars don't have automatic brakes).

The Friday relay race winners were the “Glory Falcons” (**Elan, Alec, Jonathan,** and **Yurito**) the victory coming on the strength of a new event called “rock/pebble collecting” which the “Falcons dominated with 202 rocks collected in two minutes.

Finally, the winners of the Friday blitz/bughouse event were the team of **Gita,** and **Michael Chang.**
