

Glen Rock Summer Camp

WEEK 5

Week 5 was a hot one with triple digit weather outside and heated competition over the chessboard!

Before breaking into groups for morning lessons, campers and coaches warmed up with three rounds of Circle of Doom. This week's winners were **Ethan** and **Evelyn**, although **Noah** just narrowly missed out.

After circle of doom, campers broke into their chess groups for morning lessons, where they analyzed grandmaster games, their own games from the afternoon tournament, solved puzzles, and more. The winners for best-in-group were: **Harlan** for **Coach Sean's** group; **Noah** for **Coach Chris's** group; **Lucas** and **Levi** for **Coach Alan's** group; and **Julian** for **Coach Kameliia's** group.

After chess lessons the coaches and campers went back outside for sports group by ages, followed by a bigger game of dodgeball.

**LET'S
GO!**

The winners for best-in-sports-groups were: **Maya** for 2008 and older; **Priya** for 2010; **Ethan** for 2012; **Ben** for 2013-2014; and **Kian** for 2015-2016.

WINNER

The winners for dodgeball were **Ethan** and **Rajanya**. In addition to our camper dodgeball matches, we had several epic camper v. coach dodgeball games as well. Although some coaches still dispute the result from the last game, the eventual score was 3-3 for campers v. coaches. We will have to settle this tie-breaker next week!

CONGRATS!!

The most helpful award goes to **Kian**, who did a great job transporting the big back of balls back and forth to the park. Thank you, Kian!

After sports came lunch, and the healthy Thursday lunch prize was awarded to **Rayan**. Great healthy choices!

Our daily tournament round followed lunch, and coaches were generally quite pleased with the quality of play. However, many campers still need to SLOW DOWN! The tournament winners were:

Kiren for section 1; **Sujia** for section 2; **Coen** for section 3; **Kian** for section 4; **Noah** for section 5; and **Ethan** for section 6. Great job to all the winners and to everyone who competed hard!

For our afternoon activities that follow the tournament we offered Art, math, music, problem solving and more. The prizes for art were awarded to **Evelyn** and **Stella**. The prizes for math were awarded to **Peter** and **Maya**.

Music was a lot of fun, and the younger group of **Evelyn**, **Lucas** and **Levi** learned the song "My Favorite Things" from the Sound of Music, as well as a fun original piece by Lara called "Don't Forget that Life Rocks!" What a great performance at the end of the week! The older group did song lyric interpretation, with 3 Little Birds by Bob Marley and Don't Worry Be Happy by Bobby McFarrin.

Our best effort prize was awarded to **Gillian**, for stepping up and doing a great job in a tough older section, and even leading the tournament for a while! Great job, Gillian!

GOOD
JOB!!

We also of course want to give a special shoutout to the birthday boy

Pavel!

HAPPY
BIRTHDAY

Great job everyone — we will see you soon!

See You Soon
