

# Glen Rock Summer Camp Report : Week 6

It was another great week at ICA summer camp in Glen Rock. The weather was at least a little cooler but the battles on the chessboard and dodgeball field were as heated as ever.

Campers continue to warm up each day with “circle of doom,” and this week it was a tight race between Ido, Sam, Daniella and Elizabeth, but **Ido** and **Daniella** emerged victorious.

Coaches reported good things about morning lessons as campers worked hard throughout the week. **Coach Sean** continued to challenge his campers to memorize grandmaster games 30+ moves, and this week four campers rose to the challenge: **Ido**, **Ari** and **Elizabeth** memorized a win by Capablanca over Marshall after a masterfully played endgame, and **Thomas** memorized a brilliant win by Botvinnik over Smyslov. Not only did Thomas memorize the game, but he walked us through the critical moments where Smyslov let the game slip.

The best in chess group prizes were awarded to **Ian** and **Max**, with **Coach Alex**; **Elizabeth** with **Coach Sean**; **Nathan** with **Coach Chris**; **Guillaume** with **Coach Alan**; **Talia** with **Coach Andrew**; **William** with **Coach Kamelia**.

**CONGRATS!!**

After morning lessons, the campers competed in sports groups divided by age, before combining for bigger games of dodgeball or soccer. The winners for the sports groups were: **Ido** for 2011 and older; **Nathan** for 2012; **Vivaan** for 2013-2014; **Nevan** for 2015; and **Guillaume** for 2015- 2016. The winner for soccer was **Thomas**. The winner for dodgeball was **Kian**.

The Best Teammate prize went to **Ari**, who was good teammate throughout the different activities of sports, bughouse and more.

After sports came lunchtime, and the Thursday healthy lunch prize was awarded to **Rajanjya**.

Our daily tournament game followed lunch and coaches were generally pleased with the level of play. The tournament winners were **Daniel Y** for Section 1; **Aiden** for Section 2; **Geoffrey** for Section 3; **Kate** for Section 4, with **Gillian, Michael** and **Trevor** tying for 2nd ; and **William** for Section 5.

The Friday Blitz-Bughouse winners were **Max** and **Geoffrey** for the top section, and **Nathan** and **Guillaume** for the day camp section. It was a close battle that came down to total point tiebreaks!

The winners for the art prize were **Talia** and **Eva**.
